

# BUILDING REGULATIONS COMPLIANCE

## This is a Building Regulations Compliance Certificate:

It confirms the work detailed below has been carried out by a Gas Safe registered business. It is also confirmation from the business that the work:

- was carried out in accordance with Gas Safety (Installation and Use) Regulations, as well as all other relevant industry standards
- has been self certified as being compliant with Section 4 and 7 of the Building Regulations in England, Wales and Isle of Man. This certificate is evidence, but not conclusive evidence, that the requirements of the building regulations have been complied with.

It is a legal requirement for anyone carrying out gas work on your behalf to be Gas Safe registered, please remember to check your engineer's licence card before you have any gas work carried out.

Registered business can self certify that their work complies with building regulations requirements in England, Wales and Isle of Man. This assists you in complying with your obligation to notify your local authority building control as the property owner, and this certificate confirms this notification has been done for you.

Thank you for using Gas Safe registered business. Gas Safe Register recommends that you have your gas appliances checked for safety annually.

If you have any questions about this certificate please contact the certificate issuer on the details in the bottom left hand corner of this certificate.
